

What's New at Kidz Summer LunchBox 2019?

A Program of Kids Need To Eat, Inc. (KN2E)

We're pleased USD 490 is sponsoring a summer lunch program for 8 weeks this summer.

It's something we encouraged. Schools are in the best position to host free summer meals for kids.

This allows **KN2E** to focus on the **GLOW Bus** going to 4 meal sites – serving lunch to kids who are unlikely to make it to the **Wildcat Cafe** for lunch.

Our **GLOW Bus** takes meals to where kids live and play.

We start after July 4th in order to serve lunch to kids for five weeks without any disruptions.

Also, all meal sites are open for 45 minutes – giving kids ample time to come eat, and perhaps stay for activities offered this summer.

Lunches this summer are provided by **Subway Restaurant** Mondays & Thursdays, and **Hog Wild Pit BBQ** on Tuesdays

We will offer activity days, including:

- crafts
- free book days
- outdoor games
- fun food adventures
- musical experiences
- and others to be announced.

Needing volunteers interested in hosting an activity day at least once at one or more meal sites.

Please share this opportunity with others.

Free Swim Wednesdays at Forest Park

Kids eating lunch on the GLOW Bus are invited to stay for a free swim on Wednesdays.*

Meet us at the pool entrance to use our swim pass to enter.

*first 50 kids each Wednesday

Summer work opportunities for teens at LunchBox

We need teens to help on the GLOW Bus, and on the ground to at each Bus stop – to check kids in, and offer them take home foods after eating lunch.

Teen Application form is online at www.KN2E.org

Or call/text 405-308-9158 to get one.

Our GLOW Bus driver this summer is **Felicia Campbell**. Some kids know her from riding the school bus with her.

Welcome aboard, Felicia!

Our VISTA volunteer this summer is **Kimberley Richards**.

She will serve lunch on the Bus at all Bus Stops.

Can you tell she loves dogs – and horses!

If the GLOW Bus breaks down, we have a contingency plan – four individuals who own larger vehicles at the ready to take lunches and supplies to meal sites.

We hope we won't need you – but let us know if you are willing to be available!

Kids Need To Eat is an all-volunteer nonprofit feeding children during the summer since 2013.
